If you will be arriving later than Thursday evening, indicate your arrival time here: _____

In case of emergency, I grant permission to the leaders in charge of this Cambrian Presbytery youth event to make arrangements where immediate surgical or medical attention is necessary for my child/ward, without necessity of my prior approval. I have read and understood the above, and give my child/ward permission to attend and participate in this event. If my child is under 16, I also give permission for photos to be taken of my child as part of the event.

Signed, Parent/Guardian _____ Date _____

A NOTE FOR PARENTS: During the event, as we build a sense of community, it would be preferable if participants did not have to leave the group. If your son/daughter must leave during the event for any reason (family emergency being the exception), we need to know **BEFORE** the event. We also need to know where they will be going, who will be picking them up, and the duration of the time that they will be gone. If we are not made aware of prior commitments, they will not be allowed to leave with anyone, other than their legal guardian. This is solely for the safety of our participants, so we ask for your cooperation.

My Son/Daughter needs to leave the event on: (Date) _____ and the reason is: _____

What is more amazing than the unknown?

Heraclitus (a greek philosopher dude) said,
"There is nothing permanent except change."

And we are facing change in what future
Cambrian youth events will look like.

But as Christians, we proclaim that God is also
constant. God's love is with us, and God's love will
continue to direct who we are when we gather.

We may not be "Prez," but we still come
together to learn and grow in faith and life.

This event is a chance to bring our thanks for
what we have been, and to dream about what
we will take forward.
