

Longest Night

at First Presbyterian Church

Wednesday, December 19th, 7 p.m.

The Christmas Season is hard for those experiencing grief and loss. There are more of us than we know. We are not alone. But in the midst of the hustle, it can feel that way.

The homeless, the grieving, Christmas apart from family or loved ones, job loss, care-givers, professionals who carry the suffering of others.

Longest night will give you quiet time in a contemplative setting to remember, listen to the Kenora Flute Ensemble, light candles and open your hearts to Love. Come and be still. You are not alone.
