## MARRIAGE PREPARATION:

Marriage is relationship for life! It means growing together in love through changes no one can see coming. There are some important things to think about before a wedding including money (the number one cause of relationship problems) budgets, wills, financial planning; communication, spirituality, personality type preferences...

We are willing to organize marriage preparation for couples who live locally when there is a large enough group interested. For those living elsewhere, consider checking with resources in your community.

## WEDDING FEE:

\$650 payable to 'Knox United Church' and due prior to the date of your wedding.

# YOUR WEDDING SERVICE

When you meet with one of our Ministers, you will be given a digital format which offers ideas and options for your wedding service.

Your Minister will then work with you to create a service that feels 'right'.

Knox United Church celebrates the love and marriage of same gender, opposite gender couples and couples from mixed religious traditions.

During your wedding service, you and your two legal-age witnesses will sign our Knox Church Registry and the Provincial Marriage Licence papers. You will need to obtain an **Ontario Marriage Licence** and deliver it to our Knox Church Secretary prior to your wedding date.

Your wedding service may be conducted in the Sanctuary at Knox or at another location.
