## MARRIAGE PREPARATION:

Marriage proclaims the hope that relationship is for life! It means growing together in love through changes no one can see coming. There are some important things to think about before a wedding including money (the number one cause of relationship problems) budgets, wills, financial planning; communication, spirituality, personality type preferences, parenting, grief and loss...

We're here not just to perform weddings but to support your marriage when the going gets tough. The Knox community is full of mentors and people who gather to talk about faith and real life struggles and joys.

## WEDDING FEE:

\$650 payable to 'Knox United Church' and due prior to the date of your wedding.

## YOUR WEDDING SERVICE

When you meet with our minister Meg Illman-White, you will be given a digital format which offers ideas and options for your wedding service. Meg will then work with you to create a service that feels 'right'.

Knox United Church celebrates the love and marriage of same gender, opposite gender, trans couples and couples from mixed religious traditions.

During your wedding service, you and your two legal-age witnesses will sign our Knox Church Registry and the Provincial Marriage Licence papers. You will need to obtain an **Ontario Marriage Licence** and deliver it to our Knox Church Secretary prior to your wedding date.

Your wedding service may be conducted in the Sanctuary at Knox or at another location.
