Supports for Marriage

Marriage is rewarding and difficult work! It means growing together in love through changes, challenges, and joys. There is a lot to figure out including money (the number one cause of relationship problems) budgets, wills, financial planning; communication, spirituality, personality type preferences, parenting, grief and loss... We encourage you to think through these issues together as you plan for your celebration.

We're here to support your marriage when the going gets tough. The Knox community is full of mentors and people who gather to talk about faith and real life struggles and joys. Our minister is available to listen, to pray with you and to help you to find the supports you need.

Wedding Fee:

\$650 payable to 'Knox United Church' and due prior to your wedding rehearsal.

For weddings in a different location:

Suggested Minister honorarium: \$300

YOUR WEDDING SERVICE

When you meet with Meg, you will be given a digital format which offers ideas and options for your wedding service.

You will then work together to create a service that feels 'right'.

Knox United Church rejoices in the love and marriage of same gender, gender fluid, opposite gender couples and couples from mixed religious traditions.

During your wedding service, you and your two legal-age witnesses will sign our Knox Church Registry and the Provincial Marriage Licence papers. You will need to obtain an **Ontario Marriage Licence** and deliver it to our Knox Church Secretary prior to your wedding date.

Your wedding service may be conducted in the Sanctuary at Knox or at another location.
