Happy New Year!!

2020 - a new year but the same "old" story lingering. In-person Sunday services continue to be suspended: YouTube services, fortunately, are still available (www.knoxunitedkenora.ca).

Knox remains open but cautiously closed to most in-person activity. Cheryl Dyck will continue to work from the church office. This very cold weather complicates the safe relocation of her computer. If you need to go into the building, please phone Cheryl to arrange for a safe, convenient time to do so.

And remember the excitement is mounting and the date is getting closer for our next congregational meeting - January 23. If all goes as planned, we will be presenting our Community of Faith Profile and potential names for our new Search Committee for your approval. Details to follow. Please plan to attend. We look forward to hearing from you and virtually seeing you.

Please stay safe and healthy and continue your careful COVID practices.
