## After a broad search:

The Knox Search Team is ready to make a recommendation to our community of faith regarding an exceptional candidate for the Ministry at Knox.

The Search Team has presented its due diligence regarding its recommended accepted Call and requested the Leadership Team approve a motion to announce a meeting with our faith community on Sunday, April 24, 2022. Following the presentation a vote and approval of a motion to accept the Search Committee recommendation will be held.

Unfortunately due to confidentiality and privacy concerns we cannot reveal the name of the candidate until April 24th. All will be revealed on the 24th and I can assure you it will be a very exciting day. Don't miss it!

## KNOX PAR DONORS

Please check your 2021 TAX receipts.

It seems that some were sent out with the date as 2020 donations.

Please advise the office if this is the case and I will reissue ones with a correct date.

My apologies, Rai Therrien

### PANTRY OUTREACH

The Pantry continues to be an active outreach of Knox. Last week 10 hampers went out to KACL for access by case managers from various social agencies. We really appreciate that KACL stores and manages these non perishable hampers for us. Approximately every 3-4 weeks we stock them up with another 10. We are told the hampers are really appreciated.

Our next hamper packing is 12 Ontario Works families - 55 people - on Thursday, April 14th. You, and your mask, are welcome to join us at 0900 hours to pack. Use the choir door to enter. It only takes about 1/2 hour and is a great start to the day.

Hope to see you there....

Cathy
