June 3, 2022

Are you or a member of your family an artist ... any medium? Has the isolation of COVID-19 helped you to be more prolific causing your house to be overflowing? Well, we have a solution for your dilemma.

We are wanting to create an art gallery in our Lower Hall to showcase artwork from members of Knox - **any age**. Now, this doesn't mean we welcome just any artwork you happen to have in storage. It must be yours or a family member's original work. You may wish to offer it for sale but that is not necessarily the purpose of this exhibit: it also is certainly not a fundraiser for Knox.

We look forward to seeing and sharing your creations. Please contact Cheryl (468-6923 or office@knoxunitedkenora.ca) to get the details and to arrange for a delivery. And, get ready for a grand opening.

If you recognize any of these water bottles and they belong to you, please pick up at Knox office or they will be donated elsewhere.

Thanks
