Just a few items to report to you from our November 1 Leadership Team Meeting

The appointment of Leadership Team members to form three Task Groups:

- One to write the last policy remaining - "A Duty of Care";
- One to develop a list to be used to discover all the special gifts and talents you have to offer to Knox, and;
- One to develop a Succession Plan focusing on the course of future leadership of Knox.

Our children and youth continue to be our most important and urgent challenge. Any input or experience you might have would be highly appreciated.

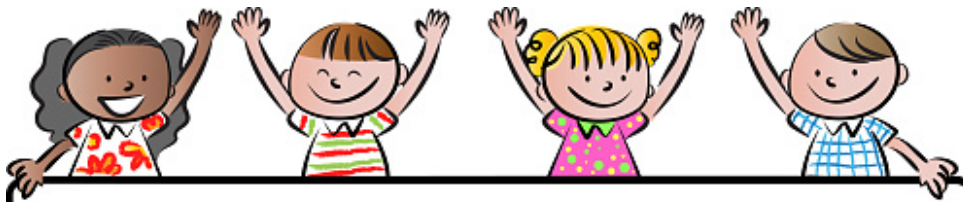

We are hoping to revive our Seniors' lunches so if you are not excited about volunteering with the young end of our congregation spectrum, maybe this group will entice you ... hopefully.

Service of Memory - November 20th

Join us as we take time in the worship service to acknowledge those who have joined the Communion of Saints surrounding us over the past year, and also those whose memories still hold a deep place in our hearts.

If you have names you would like to have included in this time of remembering, please contact the church office.

Sunday School:

November Sunday School;
Our theme will be peace.
Come and join us for peace related
learning and activities.
